

Sputnik Polyball

1. Put a band of ribbon or yarn around the ball first then form a loop at the top of the ball, secure with a pin.
2. Ribbon may be put around in segments or alternatively the ball may be painted with paint first.
3. Sequins may be attached to the ball through the centre

- with pearl headed or plain pins.
4. Bugle Beads, or Seed Beeds may be threaded first, then add the sequin to create a sputnik type effect.
